Hello, I'm trying to submit a public records request, but the page on your website for such requests has infiormation about the process, then at the bottom it just says 'Loading...'
I think it might be broken?

I would like to request copies of any public records requests made by the following during the period from January 1, 2018 until now.:
Omar Tarazi
Julie Ruzicka
Lisa Breedlove Chaffee

I am requesting delivery of this information by email to swcs.exposed@gmail.com in the form of PDF files. If any records are omitted in their entirety, I am requesting that a note is provided to me in that documents place so that I at least know something was there that was not able to be released.

Thank you!

Good Afternoon,

Attached are the records you requested. There is one recorded redacted due to student names, but otherwise nothing else.

Please let me if you need anything further.

Stacie
